SUMMARY

B.Tech Computer Science student (CGPA: 9.5) with hands-on full-stack development experience across Python/Django REST Framework and JavaScript/React. Built and deployed a production-grade web application independently, working with REST APIs, PostgreSQL, and Git-based workflows. Strong grasp of software development fundamentals, fast learner, and driven to build real, working software.

EDUCATION

SRM University AP

B.Tech in Computer Science Engineering (Cybersecurity)

Expected 2028

Andhra Pradesh, India

- **CGPA:** 9.5/10
- **Relevant Coursework:** Data Structures, Algorithms, DBMS, OOPs, Software Development Fundamentals

PROJECTS

eSign Platform | Django REST Framework, React, PostgreSQL

2026

- Independently designed and built a full-stack e-signature platform (DocuSign-style) with a Django REST Framework backend, JWT authentication, and a React (Vite) frontend with canvas-based signature capture and PDF preview.
- Implemented serial/parallel signing workflows with token-based signing links, PDF generation and audit certificates via ReportLab, and asynchronous email delivery using Celery, Redis, and the SendGrid API.
- Deployed the full stack to production (Django on Railway, React on Vercel, PostgreSQL managed DB), resolving real-world hosting and infrastructure issues along the way.

Early Warning System for Colleges | MERN Stack (React, Node.js)

2025

- Built a full-stack web app with a React frontend and REST API backend to flag at-risk students using academic indicators; delivered a working prototype in a hackathon setting.

UniMeet | Faculty Appointment Scheduling Platform

2026

- Developed a full-stack scheduling web app for booking appointments between students and faculty using the MERN stack, with version control via Git/GitHub.

SKILLS

Languages: Python, JavaScript, C, C++

Backend: Django, Django REST Framework, Node.js, REST APIs

Frontend: React, HTML, CSS

Databases: PostgreSQL, MySQL, MongoDB

Tools: Git, GitHub, Docker, Redis, Celery

Soft Skills: Communication, Teamwork, Problem Solving, Adaptability, Quick Learning

CERTIFICATIONS

MongoDB Associate Developer Certification
